Congratulations to all who have chosen my AP World History course! I look forward to working with you all this year. AP classes are meant to challenge all students and teach you at the college level. I know you will all work your hardest in my class to achieve great things. To start your journey in AP World History, you need to come prepared with some background knowledge. This summer assignment should help prepare you for first semester.

You will complete the following assignment, due the first week of school.

1) 3 Labeled maps around the world

\*Try your best, I know it may be messy. The point is to get you acquainted with rest of the world ☺

\*\*For map #1- you may just google a map of the world regions.

\*\*\* Scroll down to find the map instructions and blank maps

Feel free to email me with any questions or concerns all summer long and I can't wait to see you all in class!

Mrs. Henry

## **Part 1: Mapping Exercise**

Neatly label the world maps with the land and water features listed below in the color indicated in parentheses. Print neatly and make sure your maps are easy to read.

### **Map #1: AP World Regions**

Refer to page 22 in the AP World History Course Description (available on the AP website). Using the world map provided in this packet, draw and label the AP Regions based on the “closer view”. You may color it if you would like but that is not a requirement. However, please use a color or striping to indicate regions that overlap.
