

Our ParentLink system and District App utilizes the contact information for your family that you have provided to your child's school. It is important that you communicate with your child's school regularly to ensure that they have accurate phone numbers and E-Mail addresses on file for your family. If you have multiple students enrolled in our school system, please be sure to touch base periodically with each school.

## Students and parents can receive text messages and emails from teachers by logging into their account and adding cell phone numbers and email accounts!

Click Add Phone to add a cell phone for text messages.

Click Add Email to add another email for email communication.

Click the pencil to edit your account.
