

Mr. García's AP Spanish Language Class

Summer Assignment

I am proud of you for making it this far in the Spanish Program and for wanting to continue to expand your horizons. You are about to take on the most challenging task that you have experienced thus far, The Advanced Placement Spanish Language Course and Examination. **I am confident that through our combined efforts and dedication: you will learn; you will succeed; and you will pass the AP Exam.**

In order to prepare you for the course, I **require** that you study and perform the following tasks based on what we learned in previous Spanish Classes

- 1. All grammatical reviews that we completed, including the subjunctive notes (For those students who took Spanish 3 & 4)**
- 2. Complete all lessons/badges in duolingo.com after taking the Spanish placement test on their website.**
- 3. Study all the rules for the placement of accent marks pg. 14-23 and complete ALL the exercises on the packet titled "Accent Marks" pg. 307 to pg. 311 (Due by 1st day of school 2016) Student must get a hard copy from me or the guidance office.**

In addition, you should read **at least** one book and watch **two hours of movies** or television (**daily & in Spanish**). Without this basic foundation, there is no chance to pass the AP Spanish Language Course or Examination. I look forward to having you in my class.

Have a great summer!

Mr. García
