### Principal's Message

*It is GREAT to be a Panther!*

I am exceptionally proud of Cypress Lake High School Center for the Arts! Cypress is excited and ready for a new school year! As we welcome Panthers back, we will continue our focus on the ABCs- Attendance, Behavior and Classroom Success. During high school, a vision for life after high school takes shape. Students need support and encouragement to develop habits that are necessary for success in high school and in life.

Parents, you are our most important partners during this time. Start with A- *attendance each day and each period is critical.* Getting to class on time is key to doing well in high school and regular daily attendance is a must. Please make sure your Panther comes to school every day with required supplies (charged Chromebook, notebooks, calculator, pens and pencils). Every night you should expect to see your student either completing homework or reading. Check their CASTLE and FOCUS views and discuss what is posted for the "B and C" of our ABCs- behavior and classroom success. Check CASTLE for Behavior and FOCUS for grades/ classroom success. Both can be accessed by your Panther via Launchpad. [leeschools.net](http://leeschools.net) using your internet browser. Your routine of monitoring daily and weekly will help to keep our Panthers focused on their success for the upcoming school year!

The Panther family extends an especially warm welcome to our incoming students and their families. You are all about to become part of a remarkable community. I look forward to the opportunity to get to know each of you in the years ahead. We place a special emphasis on the transition of our freshmen students. This new chapter in their lives began last spring with course selection, and will continue on Wednesday, July 31st with *Panther Force*. *Panther Force* is a special program designed to help ninth graders both get ready for their first day of high school and learn what it means to be a Panther. We hope all of our freshmen are as excited to start high school as we are to welcome them to Cypress! *Panther Force* is not just freshman orientation, it is the start of a wonderful adventure. Our Panthers will learn, grow and amaze themselves while at Cypress.

Arts, activities and athletic programs are very important during high school. They create a sense of belonging and bond us to Cypress! We urge all of our students to participate in at least one of these programs each year. Additionally, research indicates that students who

### Gift Cards & Donations

Throughout the school year, various clubs and groups work to encourage academic excellence, positive behavior, and good sportsmanship. We like to reward this behavior with small tokens to show our students we notice the positive choices they are making and the excellence they are achieving. If you, or someone you know, has a business that is willing to donate gift cards for teenager friendly places or items, we would greatly appreciate it. The involvement of our parents and community are part of what makes Cypress great!
