At this point, Mrs. Cosby asked Mrs. Turner to speak regarding class registration. Mrs. Turner presented information that counselors were currently meeting with current 9th through 11th grade students to register their specific courses for next year. For the upcoming 9th grades Mrs. Turner informed everyone that this process would be done virtual for these students.

Part 2: DAC Report presented by Mrs. Robinson

The summary of the DAC meetings included 1.meeting. She first discussed that this was the first face to face meeting that had occurred that year. As a result, there was half of the amount of members that had attended. that the discussion was regarding the primary order in which it was being based by the state. Moving on to the conversation focused on the plan to make elementary area zones smaller. There was a lot of push back because of the concerns of equity regarding each zone. There had also been a conversation regarding school code of conduct. The focus was on the need to change the code of conduct and possibly move to 5 levels of consequences to all administrators to have the best option for students.

Part 3: School Accolades

Mr. Cole passed this on to Mrs. Turner as presenter. She started that the spring season has been very exciting for Cypress Lake
