

Cypress Lake High School
SAC Meeting Minutes
04/11/2022

*Mrs. Roles called the meeting to order at 6:05.

*Mrs. Cosby asked everyone to review the minutes from the last meeting. She asked if anyone had any corrections to make. No one had a comment. Mrs. Cosby then asked for a motion to accept the minutes. Mrs. Roles made a motion to accept the minutes. Mr. Kurtz made a second motion to accept the minutes. All in attendance voted unanimously.

*Mrs. Turner then spoke of the recent session of class registration for the coming 2022-23 school year with 11th graders. Counselors had already preloaded classes for the Center for the Arts and AICE students. So the main discussion, with each student, was concerning their Math, English, Social Studies, and electives classes.

There will be two nights for incoming Freshmen on May 3rd & May 5th. This will be the time to meet and get to know their counselors and school. They will get to choose their electives and their classes for next year as they enter our school.

A new online class, Marketing Essentials, will be offered to 9th graders and also qualify as a graduation requirement.

*Mrs. Robinson then gave testing information. The AICE English General Paper Exam. April 25 will be for paper 1 essay and May 2 will be for paper 2 essay. Advanced Placement testing will be coming up soon.

*The DAC Report was presented by Mrs. Sharifa King. There will be numerous K-12 Summer Enrichment programs this year, June 13 - July 13. After which, Targeted support testing will be done on July 11 - July 14. SOS Summer Camp will be offered to grades 8-11, in person or on zoom. Other activities to be offered are English Learner, Career, Cultured Arts, and Math graduation boot camps. These camps will be held at several High School locations, yet to be announced. The summer will be full of activities with YMCA, IMAG, and Boys & Girls Club.

Another point targeted at the DAC meeting was a gap between parents and school counselors. When parents contact school counselors they are advised to go to website for information. The parents feel that school counselors should be more willing to assist them with matters concerning their child. Many times the parents cannot find the information they need on the website because it is not always user friendly.

*Exit slip comments were given by Mr. Cole. He thanked everyone for being part of the SAC Committee all year. He asked for suggestions to be sent in about what we should discuss next year. Next year SAC could be held in person, with Zoom as an option to anyone who can't make it in. Or we can leave it all on zoom as this is real convenient for all with work and all those with students in after school activities.

Mrs. Roles also thanked everyone for participating and being part of the SAC meetings.

Mrs. Cosby closed the meeting at 6:50
