Panthers,

Fall is in full swing at Cypress Lake High School Center for the Arts!

We concluded a successful first quarter and a new second quarter is underway. We appreciate your support as we move into the winter season.

Cypress Lake High School Center for the Arts was once again honored as a Five Star School. This is the Florida Department of Education's highest award for community involvement. The five stars symbolize the categories of Business Partnerships, Family Involvement, Volunteers, Student Community Service, and School Advisory Councils.

I am humbled and honored to be the principal at Cypress Lake High School Center for the Arts. The kindness and support from the parents, staff, and students I have met has been overwhelming; this truly is a community committed to the success of their students.

As we enter the season where we count our blessings, I am thankful that the Cypress community is such a blessing for every Panther.

I look forward to working with each of you and living the pride, tradition, and excellence of Cypress Lake!

Cypress Helps the Community

Helping Hands collected 3,538 items of food to donate to the Salvation Army. They were ecstatic to receive this and will be able to help many people in our community. Thank you all for being so generous!

Varsity Volleyball

The girls' varsity volleyball team had a year of growth. The team was very young, with only one returning player from varsity last year. The girls played hard and improved as a team. Each time they played a team, the second time around in the season, they improved. The team will be working in the off season and are looking forward to being competitive in the district/conference next year. They were 5th out of 6 teams in the district and 8th out of 12 teams in the conference.

Back row (from left to right): Faith Butler, Tori Hale, Saige Rice, Katie Sines, and Megan Ward. Middle row (from left to right): Daydra Smith, Ahsy Tajiani, Alcy Stuckey, Lexi Hoerr, and Stephanie Crown. Front row (from left to right): Nyree Mahone. Not Pictured: Lauren Cole.

Cross Country

The girls finished 5th out of 13 schools at the district meet; missing out on qualifying for the regional meet by only one place.

Congratulations to Selena Leon for qualifying individually for regionals. She was closely followed Heidi Churchill 21st, Leticia Leon 36th, Sabrina Anderson 37th, Mariann Vohmar 41st, Sophie Polhemus 44th, and Haley Adams 67th.

The boys finished in 12th place, led by Reese Novella 44th, Cameron Rudland 50th, Brandon Higdon 56th, Joseph Gorrell 77th and Jacob Garcia 79th.

The athletes had a solid season and raced hard to represent Cypress Lake High School. Please congratulate them. Thanks for your support. Go Panthers!!

CLHS Swim Team

The CLHS swim team is concluding one of their best seasons in recent memory. At LCACs, the girl's team placed 7th, and boys finished 3rd out of the 13 schools that participated. 60% of our swims were best times. The 2A District Championships had similar successes. Best times were at a season high with 67% of swims setting new records- most of which were set at the LCAC meet. The team had 22% of its possible swims advance to the regional meet; in contrast last year only 20% advanced. Junior Cannon Kopec had the meet of his life with 2 personal records in the 100 fly and 100 backstroke and a lifetime best in his 100 free- which propelled the boys 400 freestyle relay to a 13th place seed for Regionals. Freshman Hannah Gatof is the first girl in recent memory to advance in an individual event to regionals. Hannah will swim the 100 breaststroke and several relays. Big congratulations are in order for Senior Eric Ordaz who earned an automatic bid to regionals in the 200 IM. The following swimmers will proudly represent Cypress at Districts: Audrey Salcedo, Hannah Gatof, Malia Houston, Lauren Kier, Brinn Lambert, Eric Ordaz, Tommy Danzi, Cannon Kopec, and Adam Rosario.
