### Principal's Message

Panthers,

Fall is in full swing at Cypress Lake High School Center for the Arts!

We concluded a successful first quarter and a new second quarter is underway. We appreciate your support as we move into the winter season.

Cypress Lake High School Center for the Arts was recently honored again as a Five Star School. This is the Florida Department of Education's highest award for community involvement. The five stars symbolize the categories of Business Partnerships, Family Involvement, Volunteers, Student Community Service, and School Advisory Councils.

We have many opportunities for you to come out and support our young men and women. Whether it is taking on teams from around the district with basketball, soccer, and wrestling, or showing off their artistic side in one of our many shows. Check the calendar or our school marquee for the latest information.

I am humbled and honored to be the principal at Cypress Lake High School Center for the Arts. The kindness and the support from the parents, staff, and students I have met have been overwhelming; this truly is a community committed to the success of their students. This is the season where we count our blessings. The Cypress Community is certainly a blessing for our Panthers.

**I look forward to working with each of you and living the pride, tradition, and excellence of Cypress!**

## Ms. Lisa was named FL-ASTA Teacher of the Year!

What is FL-ASTA? Florida ASTA is the Florida chapter of a national organization, The American String Teachers Association (ASTA). ASTA is a non-profit organization devoted to enhancing the future of string teaching and playing in the United States by increasing the amount of string teachers. Fortifying this commitment to the string community, ASTA has introduced many programs, services, and foundations throughout the years. ASTA has also developed programs for professional development and instrument and bow outreach for schools, studios, and students in need. More recently, ASTA developed The National Foundation to Promote String Teaching and Playing. This segment executes grants, awards, and competitions enriching the quality of string education. In addition to advancing string education and performance throughout America, it fosters a variety of projects around the world.

Ms. Lisa received the award at a ceremony in Orlando. This is a VERY big deal and we are so proud of this honor and the commitment it represents to having the finest program in the county!

Way to go, Ms. Lisa!

## Tuba Player Wins!

Tanner McCormick won his audition and was offered a contract at Boston Crusaders Drum and Bugle Corps.

Drum corps is an activity for musicians aged 16-21, with students coming to audition from all over the world. Tanner auditioned against high school and college aged students for one of 12 spots in the tuba section. Only 6 contracts were awarded at this first audition, and Tanner was one of only two rookies to be offered a contract at the first audition! The rest will have to keep coming back to fight for the remaining spots.

Congratulations to Tanner! What an awesome representation of Cypress Lake Center for the Arts!

## 3D Printers on Campus!

On Friday November 18th, we were notified that a grant Mrs. Rainwater wrote for 3D printers was funded through the Foundation for Lee County Public Schools. Web Scripting Fundamentals and User Interface Design students will be the first to learn the software components, with Foundations of Web and Digital Design 1 students to follow. The end goal is that PBIS recipients will be able to select rewards from a catalog of available designs when they are recognized.

## District 6 Thespian Competition

Troupe 5341 of the Cypress Lake Theatre Department represented the school at the District 6 Thespian competition in Northport. A total of 54 students competed in various events from monologue performance to large group musical performance.

Our Troupe came home with a stunning **18 Superior ratings and 10 Excellent ratings!** Also our own Courtney Camarillo was awarded a Musical Theatre Scholarship at the closing ceremonies of the competition.

These students worked incredibly hard preparing each one of these events in the midst of musical rehearsals, as well as several other academic demands, and they deserve a big congratulations on an incredible display this weekend.

We are very proud of our theatre troupe!

## Student Assignment 2017-18 January 23– March 24, 2017

Parents of **currently** enrolled students in Lee County Public School grades five, eight, and students in Pre-K attending Lee County Public Schools who are eligible for kindergarten for 2017/18, will be mailed their child's personalized application on January 19, 2017. This is a very exciting time of year for students and parents as they plan for 2017-2018.

Those receiving the applications can save time by applying online! Please read the documents sent to you very carefully, and determine if you want to apply online, mail it back to us, or bring it to one of our offices in person. This is a nine-week application period. There is no need to stand in long lines the first few days since you have nine weeks to submit the application. All applications are processed as a group.

Parents of children who will be five on or before September 1st, 2017 and who are not enrolled in one of the district's Pre-K programs must visit one of our offices to register for kindergarten for the 2017/2018 school year (bring registration requirements). This should be done during the first application period (January 23 – March 24) to increase the chances of being assigned to your preferred school. Brand new students cannot apply on-line – they must be registered in person.

There are **no automatic assignments** – parents need to register incoming kindergartners even if they have an older sibling already attending the preferred school.

Please visit [www.leeschools.net](http://www.leeschools.net) for registration requirements and Student Assignment Office locations.

Lee County is home to Florida's top ranked virtual school. Lee Virtual Instruction Program is the only Kindergarten through 12th grade public school in our area. This challenging virtual learning program follows the school district calendar. Students have access many of the same courses as they would in a traditional school including Advance Placement(AP), Dual Enrollment (FGCU, FSW, FMTC and CCTC) along with the flexibility of a dynamic schedule. Students who complete the virtual course of study receive the same accredited diploma as any other public school. There are two application periods for LVIP. The first application period coincides with the Student Assignment's first application period. The second one begins the Monday after Thanksgiving for second semester enrollments and closes prior to final exam week of the first semester. Applying to LVIP does not affect your current School Choice assignment until the student completes orientation and enrollment in the LVIP program. Lee Virtual also offers a variety of summer courses for original credit. Visit Lee Virtual Instruction Program at <http://lvip.leeschools.net/>.

## Selección Escolar 2017-2018 Enero 23 – Marzo 24, 2017

Los padres de familia de estudiantes actualmente asistiendo a las Escuelas Públicas del Condado de Lee en los grados quinto, octavo, y Pre-kínder atendiendo a una de las escuelas públicas que son elegibles para Kinder recibirán en el correo una aplicación personalizada en enero 19 del 2017. Este es un tiempo muy importante del año para los estudiantes y sus padres para planear para el año 2017-18.

Los que reciben esta aplicación pueden ahorrar tiempo aplicando por computadora. Por favor lea los documentos que le enviamos cuidadosamente y determine si usted quiere aplicar por computadora, mandar la aplicación por correo, o traerla en persona a una de nuestras oficinas. El periodo de aplicación es de nueve semanas. No hay necesidad de pararse en líneas largas los primeros días de aplicación ya que usted tiene nueve semanas para aplicar. Todas las aplicaciones son procesadas en grupo.

Los padres de los niños que cumplirán cinco años antes o el día 1 de septiembre, 2017 y que no están matriculados en una de las escuelas del distrito en el programa de Pre-K deben visitar una de nuestras oficinas para matricular a sus niños por primera vez en kindergarten para el año escolar 2017/2018. Por favor aplique durante enero 23 y marzo 24 para aumentar los chances de ser asignado a una de las escuelas de su preferencia. Estudiantes nuevos no pueden aplicar por computadora, estudiantes nuevos deben aplicar en persona.

No hay **asignaciones automáticas** – los padres de familia necesitan matricular a todos los niños que van a entrar a kindergarten aun cuando tengan hermanos que ya están asistiendo a esa escuela.

Por favor visite la página del Internet [www.leeschools.net](http://www.leeschools.net) para los requisitos de matrícula y para información acerca de donde están situadas nuestras oficinas.

El Condado de Lee tiene una de las mejores escuelas virtuales de la Florida. El Programa de Instrucción Virtual de Lee es la única escuela pública de Kindergarten hasta el grado 12 en nuestra área. Este desafiante programa de aprendizaje virtual sigue el calendario del distrito escolar. Los estudiantes tienen acceso a muchos de los mismos cursos como lo harían en una escuela tradicional incluyendo la Clases Avanzadas (AP), Inscripción Dual (FGCU, FSW, FMTC y CCTC) junto con la flexibilidad de un programa dinámico. Los estudiantes que completan el curso virtual de estudio reciben el mismo diploma acreditado que cualquier otra escuela pública. Hay dos períodos de aplicación para LVIP. El primer período de solicitud coincide con el primer período de solicitud de la asignación de estudiante. El segundo comienza el lunes después del Día de Acción de Gracias para las matrículas del segundo semestre y cierra antes de la semana del examen final del primer semestre. La aplicación a LVIP no afecta su asignación actual de Elección Escolar hasta que el estudiante complete la orientación y la inscripción en el programa LVIP. Lee Virtual también ofrece una variedad de cursos de verano para el crédito original. Visite el Programa de Instrucción Virtual de Lee en <http://lvip.leeschools.net/>.

On Friday, November 11, 2016, seven members of the Cypress Lake Color Guard Team, under the direction of Major Provost and Master Sergeant Scott, performed Color and Honor Guard for Veteran's Associations and other community groups in and around Fort Myers.

The first ceremony was held at Legends Golf & Country Club. Veterans who have fought in one of the five branches of our military: Army, Marine Corps, Navy, Air Force, and Coast Guard were presented. ## Movement/Sensory Room

The Movement/Sensory Room developed for our students with special needs is now open. This room is designed to allow our students to engage in sensory experiences using light, visual effects, music, motor skills, as well as a variety of activities designed to promote student engagement.

Mrs. Ceilley used funding from a grant to begin developing the room and with the help of Mrs. Petcher and her art students, it has become an oasis for our most challenged students.

## District Golf News

Our boys' golf team came in 2nd in District Championship thereby qualifying them to play at regionals. Freshman, Tyler Humphrey won as an individual, to become the District Champion!

The girls' golf team placed 3rd in the district qualifying them to go on to the regional tournament as a team. This is the first time this has happened under Coach Knudsen. She is extremely proud of all the hard work the girls put in to make it this far.
