Vision

Empowering students to succeed in a changing world.

Mission

Students graduating from CLHS will be independent thinkers and responsible citizens with the skills and knowledge to make quality decisions ensuring future success.

Principal's Letter

Happy Autumn, Panthers!

We've only been in session for a few months, and they have been remarkable! Evidence of this is found throughout this newsletter, from the various awards given to our many talented students, to the numerous school activities involving our Cypress family, to the anticipated future events highlighted in our calendars. Our AP Capstone program continues to grow and we have added yet another course: AP Research. We now offer the AP Capstone Diploma from College Board. The Cypress Lake Center for the Arts staff continues to cultivate world-class productions; special kudos to Digital Design student Erica Hoffman, winner in the Character Education Digital Design Competition. We're off to a great start with Cypress sports this year; new football coach Richie Rode's most recent victory was our Homecoming game against Cape Coral. And speaking of Homecoming, all the class activities--Powder Puff, Prowl, the dress-up days and the decorated halls—made me proud to be a Panther as our students took charge and showed their school spirit! Our game was well attended by current students as well as alumni, and we had a huge turnout for the homecoming dance. It was one of the largest ticket sales ever! CLHSCA is truly a dynamic place to be!

Of course, we do not stand alone and family involvement continues to be key to our students' success. Please consider joining us on campus as a parent volunteer or as a member of our School Advisory Council (SAC). If you would like to try volunteering, contact our volunteer coordinator Ms. Boyle at 481-2233 and join our Parent Volunteer Organization (PVO). If you are interested in SAC, please join us at one of our meetings at 6:30 pm in the media center. This year's SAC dates are:

- November 28th
- February 13th
- April 24th

It is never too late to get involved! We appreciate you and your support!
There's No Better Time to be a Panther!

Character Counts

Senior Erica Hoffman, Mr. Gordon Gair's Digital Design 3 student, was recognized as a winner of the Character Education Digital Design Competition. Visitors Jeanne Dozier (Board Member), Beverly Burke (representative from The Foundation), and Mary Lynn Rodriguez (Coordinator for School Counseling presented Erica with a certificate for her hard work. In addition, she was able to choose a donut or pizza party for her class. Congratulations, Miss Hoffman!!

Thank You

A huge thank you to Sam Galloway Ford for donating 6 Mustang convertibles to our Homecoming halftime parade. Every year you make it possible for our court members to ride in style and we greatly appreciate it.

Cypress Lake High Teacher Selected as Microsoft Innovative Educator

Mandie Rainwater, Teacher at Cypress Lake High School, was designated a Microsoft Innovative Educator (MIE) Expert, joining the more than 4,800 educators in the MIE Expert program worldwide. Each year, Microsoft selects innovative educators to share ideas, try new approaches and learn from each other as a global community dedicated to improving student outcomes through technology.

"I am honored to be selected for the second year in a row and to be able to learn more about Microsoft's usage in the classroom to best benefit the students in their futures," said Mrs. Rainwater.

As an MIE Expert, educators build their capacity for using technology in both the classroom and curriculum to improve student learning, advise Microsoft and educational institutions on how to integrate technology in pedagogically sound ways, and are advocates at conferences, events and trainings for how Microsoft technology can improve learning.

"Microsoft Innovative Educator Experts are inspiring examples of educators applying new ways of teaching and learning in their classrooms that motivate students and empower them to achieve more," said Anthony Salcito, Vice President, Worldwide Education, Microsoft. "We celebrate and support the work they do every day!"

Panther Force ROARED!

Panther Force, our freshmen orientation day, was a huge success! Special thanks to Rebecca Carden and Lisa de Freitas for organizing this event and serving as Freshman sponsors. The transition to high school can be frightening and produce lots of anxiety for students. Panther Force Day was designed to allow freshmen to get to know the building and key people through a creative scavenger hunt! Students also received their schedules and practiced a pep rally. The student leaders and facilitators were well trained and good role models. Showing their school spirit, many staff members assisted and attended. What an exceptional job Ms. Carden and Ms. de Freitas did creating a positive first experience for our newest students.

Club Rush

Thank you, Panthers, for making the first ever Club Rush a huge success! Sponsors of our many clubs here at Cypress set up tables in our courtyard during lunch for students to visit and learn about the various ways they can get involved in their school. Club Rush was the brainchild of Ms. Ranae Atkinson who took this idea and made it come alive! Special thank you to the club sponsors and the students working at each table so that students could join a club on the spot.

We would be remiss not mentioning the SGA sponsored dunk tank that helped recognize the PBS PRIDE qualities of our students. AP Adam Kurtz was kept cool during the scorching afternoon the entire time with his frequent trips into the tank! Many staff members came to help supervise and assist—a true team effort and an absolutely wonderful day at Cypress!

A big Panther ROAR for Club Rush Day!

AP Capstone: Bigger Than Ever!

The AP Capstone program continues to grow at Cypress as we welcomed over 60 new AP freshmen this year. Our mentor and advisor programs are well under way, and we celebrated our accomplishments during our first annual AP Breakfast Meet and Greet.

AP continues to challenge our students to develop their potential as it prepares them for the rigors of higher education. Stay connected via our website, <http://cypresslakehigh.sites.thedigitalbell.com/ap-capstone>. The website contains helpful information regarding AP courses, AP Capstone diploma descriptions, a link to our Twitter account for SAT and ACT preparation, photos of AP in Action, fall workshops, and more!

“Whet Your Appetite”

Thank you to the cast and crew of “Whet Your Appetite” for their wonderful and unique production! Each act highlighted a slice of things to come in that department’s performance season for the coming year.

Flying the Friendly Skies?

If you are flying out of RSW or meeting people at the airport, look for our students’ paintings in Concourse D. They are part of a huge exhibit called “My Sky,” sponsored by Lee County Port Authority and Alliance for the Arts. Cypress students Tricia Shamburger and Skylan Abraham had to interpret the theme and then work independently on large canvases, on their own time, to create their piece. Stunning!

Class Officers

Following a VERY close race with our freshmen, we now have all of our class officers in place for this school year. These students will work together all year to make Cypress Lake fun and to provide all the students with wonderful opportunities to participate in activities together. Elections for next year’s officers will take place in the spring near the close of this year.

Breast Cancer Awareness

In honor of Breast Cancer Awareness in the month of October, the cheerleading squads will be selling PINK OUT shirts for \$14.00. A percentage of the sales will be donated to Breast Cancer Awareness. You can purchase these shirts by sending an email with your t-shirt size to Beth Morrish at BethAMo@LeeSchools.net and sending your payment to school with your student. Orders may be placed through the 14th of October, and you will receive the t-shirts by Wednesday, October 19th.

OCTOBER 21ST WILL BE OUR HOME PINK OUT GAME! IF YOU WEAR THIS SHIRT TO THAT GAME, YOU WILL GET INTO THE GAME FOR FREE!!!

Community Sponsors Care

THANK YOU to Fuzzy's Tacos and Outback Steakhouse. They donated tangible (and delicious) tokens to reward our students for demonstrating our PBIS PRIDE expectations!

Lights Out- Ingenuity On!

Here is a great pic by Madison Brewer of the Sophomore/Junior section when the lights unexpectedly went out during our last Pep Rally. A concrete example of how Cypress Panthers turn a gloomy problem into a shining solution!
