## Principal's Message

Panther families,

We are already halfway through the 3rd quarter. Second semester is a time when students are focusing on maintaining good grades in their classes by doing their classwork and homework, turning it in on time, studying for tests and quizzes and doing their very best on classroom, district and state assessments. We call it "Prime Time", because this is when we really have a laser focus on academics at Cypress Lake High School. Juniors and Seniors are taking SAT and ACT tests, Seniors are finishing college and trade school applications, and scholarship applications are being completed. Our College and Career Counselor and our School Counselors are hard at work preparing our upper-classmen to transition to post-secondary opportunities, like college, trade schools, the military or careers. Underclassmen are getting ready for the new Florida Assessment for Student Thinking (FAST) assessments in reading and English classes, which will measure proficiency in Florida's Benchmarks For Excellent Student Thinking (B.E.S.T.) and End of Course Exams in Biology, Algebra, Geometry, and U.S. History.

Towards the end of March, students will begin meeting one-on-one with their School Counselors to select their classes for next year and to look at their progress towards graduation. Students need to maintain a GPA above 2.0 and have at least 24 credits to graduate from a Florida High School. Parents, you can always check to see how your Panther is doing in school through the FOCUS Parent Portal. If you do not have an account, you will want to go to our website, [cyh.leeschools.net](http://cyh.leeschools.net), to get information on how to register for an account, because interims and report cards are all done online now through the portal. Help your Panther to be successful by checking their grades and attendance often. Students need to be in school to learn. Make sure your student is here, on time, every day to make sure they do their best in class and on the upcoming assessments.

We have so many activities and celebrations upcoming: art and sports banquets, academic awards, Prom, and Grad Bash, to name a few. The CLHS Class of 2023 will be graduating at 2:30 on Saturday, May 20th at FSW Arena. We are beginning our Spring sport season, so come out to support our Panther Athletes in Baseball, Softball, Lacrosse, Tennis, and Track and Field. Cypress Lake High School is truly a special place to be. We like to say, "You will learn here, you will grow here, you will amaze yourself here." Come and be amazed by our Panthers this Spring at a performance, game, or event.

Sincerely,  
Angela Roles

## JROTC Panther Battalion News

We are extremely proud of the Cypress Lake High School JROTC Panther Battalion and their recent accomplishments and their drive to seek the mantle of leadership! Over the past few weeks, both our Drone and Robotics Teams won the District Championships and qualified to compete in the WORLD competitions in Texas in April.

In addition, our JROTC Leadership Team competed and earned the top title in the district and continue toward the National Leadership Competition.

Our Marksmanship Team had a great season and placed top 6 in the district. Panther Proud!

In early February, JROTC students traveled to Tampa and visited the University of South Florida (USF) and University of Tampa (UT). JROTC students spent the entire day touring both campuses and experiencing opportunities and campus life. In addition to a campus orientation tour, students received an admissions and financial information presentation by university administrators, graduate students and Senior ROTC members.

During the month of February, JROTC students took part in the annual Food Drive to support the Community Cooperative. The Food Drive provides an opportunity for students to donate and participate in community service significantly impacting the capabilities of the Community Cooperative's mission to fight hunger.

We are extremely proud of Cypress Lake Senior Annabelle Mehrhoff, who in January, was awarded the Corporal Tommy Jardas Foundation Scholarship. The annual scholarship is awarded to a graduating senior who is in excellent academic standing and has submitted an essay about their experience at Cypress Lake High School and their future goals. Congratulations, Annabelle!

## Dancing Our Way to the Top!

We are extremely proud of our dancers who participated in the Florida Dance Performance Assessment and the National Honor Society for Dance Arts state Honors Concert on February 4th and 5th at Blake High School in Tampa.

Our dancers earned a Superior ranking on the Florida Dance Performance Assessment.

The Florida Dance Performance Assessment is our version of a state level assessment that includes three sections. They consist of a Technical Proficiency, Movement Acquisition and Ensemble Performance sections. The Technical Proficiency includes a set of Ballet, Modern and Jazz etudes that the students learn ahead of time and perform in front of an adjudicating panel. The level of work that was required of our students was equal to college conservatory dance. The Movement Acquisition section requires the students to learn dance phrases and perform them on the spot. The genre is not known ahead of time and could include ballet, modern, jazz or musical theatre dance. They are also adjudicated on how quickly they pick up the movement, if they apply corrections and/or imagery or technical suggestions and how well they perform that movement with expression. The final section is Ensemble Performance where they perform a piece of choreography on stage with no costumes or special lighting and are adjudicated on how well they perform as an ensemble with expression, musicality and technical proficiency. Our piece was *Go!* choreographed by Stephanie Mas, a guest artist. It was an intense, physically demanding and fierce 4-minute piece. The students perform all of the sections back to back. The emotional and physical demands are extremely high and exhausting. They were absolutely amazing!

The Honors Concert is a state-wide concert that is done that evening with different chapters of the National Honor Society for Dance Arts getting an opportunity to perform for a state-wide audience. The students performed *Go!* in this concert and received multiple compliments on how strong they were as performers and on their performance.

The next day consisted of college auditions and master classes. Our students auditioned for colleges, universities, conservatories and festivals from around the state and nation. They did a wonderful job and were given opportunities to continue to study at some of the most prestigious dance schools in the state.

They worked so hard and we are so immensely proud of them. Please congratulate these students: Julia Best, Ashley Buckley, Juliana Cabai, Sophia Flavio, Annette Gorny, Kaelyn Heggemeier, Faith McCarthy, Iasmyn Menezes, Kasey Morisset, Makayla Rivas, Emma Rossington, Emma Smith and Neveah Stanley.

Since the 1960s Cypress Lake High School has been the proud home to some of the hardest hit areas from Hurricane Ian including the barrier islands and Harlem Heights communities. We will continue to be there for our families. In the wake of the storm we have partnered with Collaboratory and United Way of Lee, Hendry, and Glades to set up the Panther Relief Fund, directly supporting our students, staff, and their families, many of whom have lost everything. Through generous support of our community near and far, we were able to raise close to \$14,000! Over the next few weeks, 30 deserving Cypress families will receive a check for \$450 and will have access to further support from the United Way. Thank you to everyone who reached out, donated, and supported those in need in any way. **Once a Panther, Always a Panther!**
